

In October 2021 after 3 years of Be Fantastic International introducing the Be Fantastic of kindness to the World, one of our Ambassadors launched a Be Fantastic WhatsApp group- Be Fantastic Nigeria.

It has spawned over 70 people creating groups in 34 countries and 26 cities. Over 700 members have joined the groups and our over 2100 Ambassadors of Kindness in sharing our kindness, posting positive news, motivational and inspirational information and helping make the world a better place for everyone.

The three commitments to the Be Fantastic kindness improve people's lives and will help alleviate global warming.

The Be Fantastic kindness has three commitments that ambassadors agree to follow. When everyone follows these commitments the world will be a kinder and better place for everyone. Here they are in order of importance.

1. Be KIND to yourself
2. Be KIND to all others including God's creatures
3. Be KIND to our environment, protect our planet.

This is your invitation to become an Ambassador of Kindness, join a group or start one in your country, state or city. There is one person/admin to a country (only 191 countries) and there is only

one person/admin to a city (only 10, 000 cities), if your country or city is taken you can start a WhatsApp personal group 'Be Fantastic (your name)', send a text with your name to 12137889109. It's individuals that will make this world a kinder and cleaner place for future generations. The more people that hear about the Be Fantastic of kindness the better off we will be. Please join us.
