

Please Join Be Fantastic International

We would like to invite you to be an Ambassador of Kindness in our global community. We have over 3700 Ambassadors of Kindness in 145 WhatsApp groups sharing positive info, motivational thoughts and our three commitments to kindness

The three commitments to the Be Fantastic Philosophy improve people's lives and our environment. When everyone follows these commitments the world will be a kinder and better place for everyone. Here they are in order of importance.

1. Be KIND to yourself
2. Be KIND to all others including God's creatures
3. Be KIND to our environment, protect our planet.

This is your invitation to become an Ambassador of Kindness, join a group or start one in your country, state or city.

It's individuals that will make this world a kinder and cleaner place for future generations. The more people that hear about the Be Fantastic Philosophy of kindness the better off we will be.

Please join us.
